

THE LINKS, INCORPORATED

San Jose Chapter

June 6, 2009

Dear Friend of the San Jose Chapter of Links,

The Links, Incorporated, San Jose Chapter, is hosting its 2009 Authors Luncheon at the Fairmont Hotel in San Jose on Saturday, November 7, 2009. In addition to other special attractions, featured authors will share selections from their books and autograph their books which will be available at our event.

For more than 25 years, the San Jose Chapter of Links, Inc. has provided financial assistance and volunteer services to community-based organizations serving needy youth and families in the South Bay areas, as well as educational reform efforts in South Africa. In 2002, our chapter established the **Alice E. Foster Memorial Scholarship Fund** for college bound students who are exiting the Santa Clara County Foster Care Program. Thus far this scholarship fund has assisted a number of deserving students in pursuing post high school academic studies.

The Authors Luncheon is our primary fundraiser. Proceeds will be used to support and further advance our community service activities in Santa Clara County. We would be honored to have you join our circle of supporters by purchasing advertisement for our 2009 souvenir journal.

An advertisement form is enclosed for your convenience. Should you have questions please feel free to contact your sponsoring Link, or you may contact me at:

We sincerely hope that you will join us in making a difference in the lives of others right here in Santa Clara County. An advertisement form is enclosed for your convenience.

Respectfully,

Brenda Swann
